About Us

Shanghai Baobang Medical Equipment Co., Ltd, is a professional manufacturer specializing in the research, development, production, and export of hyperbaric chambers. The company works under ISO13485 standards, which encompass the requirements for a comprehensive quality management system in the design and manufacturing of this product.

Macy-Pan offers a wide range of portable, reclining, and seated hyperbaric chambers, designed to cater to the diverse needs of individuals and commercial users. These products find extensive applications in homecare, clinics, wellness centers, beauty salons, spas, the sports industry, high-altitude regions, and more. Over the past 16 years, MACY-PAN hyperbaric chambers have been distributed to over 123 countries and regions, earning a strong reputation in the international market.

MULTI-PERSON
